

CHAPTER 69-09-04

UNIFORM SIGN STANDARDS - RAILROAD

Section

69-09-04-01	Railroad Warning Signs - Specifications [Repealed]
69-09-04-02	Abandonment of Railroad Trackage - Applications [Repealed]
69-09-04-03	Change in Agency Service - Applications [Repealed]
69-09-04-04	Abandonment of Railroad Facilities - Exemption
69-09-04-05	Acquisition of Right of Way - Notice of Intent

69-09-04-01. Railroad warning signs - Specifications. Repealed effective November 1, 1987.

69-09-04-02. Abandonment of railroad trackage - Applications. Determined repealed by the office of the legislative council under section 28-32-06 because the authority for adoption of the rules was superseded by federal law. Repealed effective June 1, 2003.

69-09-04-03. Change in agency service - Applications. Determined repealed by the office of the legislative council under section 28-32-06 because the authority for adoption of the rules was superseded by federal law. Repealed effective June 1, 2003.

69-09-04-04. Abandonment of railroad facilities - Exemption. Railroad companies need not seek commission approval to remove facilities that have not been used to provide direct service to shippers in the past three years. Companies, however, shall notify the commission and persons leasing adjacent railroad property of proposed removals at least thirty days prior to the removal date.

History: Effective November 1, 1987.

General Authority: NDCC 49-10.1-03

Law Implemented: NDCC 49-10.1-03

69-09-04-05. Acquisition of right of way - Notice of intent. Persons intending to acquire operating railroad right of way under North Dakota Century Code section 49-09-10.2 shall notify the commission and provide it with the information specified by state law at least thirty days prior to the earlier of:

1. The proposed acquisition date; or
2. The filing of related notices with the interstate commerce commission.

History: Effective November 1, 1987.

General Authority: NDCC 49-09-11.7

Law Implemented: NDCC 49-09-10.2
